

Southern Exposure

Our newsletter editor is on vacation.
The expanded version of *Southern Exposure* will return next month.

Newsletter of the Camera Club of Richmond

JUNE 2005

▶ The club's second **Night Shoot** this year will be this **Saturday, June 4**, led by Taft Carter. In a change from our previously printed schedule, we'll meet first for dinner at the Legend Brewing Company Restaurant at 6:30, and will then photograph downtown Richmond afterwards. The Southside restaurant's address is 321 W. Seventh St., overlooking the James River, one block off Commerce Road and one block from the south end of the Manchester Bridge (Eighth Street). This shoot will provide you an opportunity to take winning photographs to enter in the Assigned Subject ("Night Shots") portion of our July 13th Evaluation.

▶ It appears that Sallie Jennings and Dave Chapin may be our club's only representatives at this year's **PSA Mid-Atlantic Chapter Annual Picnic**, to be held **Saturday, June 4**, in Deale, Md. If you'd like to join them at this fun event (canoes, paddleboats, and a cookout) call Sallie at 266-4496 or Dave at 749-8575 for more information and driving directions. Because our club is a member of the Photographic Society of America, any dues-paid CCR member is eligible to attend.

▶ Our meeting program **Wednesday, June 8**, will be a "**Members Showcase**" at which six or more of our members will show 10-15 slides or digital images and tell us why and how they took them, what effect they were shooting for, and any special techniques they used. Phone Taft Carter at 347-7887 (days) or 794-5758 (evenings) if you'd like to present some of your work with a comment, but haven't yet been contacted.

▶ It's "last call" for **Ukrop's Golden Gift certificates**. Please bring your 2005 certificate, (which resembles a cash register receipt this year) with you to our meeting **Wednesday, June 8**. If you won't be able to make Wednesday's meeting, please mail your receipt *today* to CCR Treasurer David Pugh, 8613 Den Bark Drive, Richmond 23235.

▶ Our club's 2005 **Bylaws Revision Committee**, headed by Lona and David Pugh, has issued an invitation to all interested CCR members to attend its working luncheon meeting on **Saturday, June 11**, beginning at 11:30 a.m. at Piccadilly Cafeteria, 8004 W. Broad St. (Bring your dictionary and your *Roberts Rules of Order*; we can't guarantee the meeting won't end in a good old-fashioned food fight.)

▶ A photo **field trip to Nags Head June 24-27** (Friday-Monday) is planned by Activities Director Sallie Jennings. Earlybirds can stay at the Chapins' family cottage; we'll help find lodging for others once the beds at the Chapins' cottage are spoken for. RSVP to Dave Chapin at 749-8575 for more details. First come, first serve.

▶ The Science Museum of Virginia, our meetings host, is looking for one more CCR volunteer to help photograph kids enjoying ice cream at the "**Scooper Bowl**" **Saturday, June 25**, for about an hour beginning at 11 a.m. (David Pugh has volunteered that afternoon). The museum also needs help photographing students participating in its "**Science Explorers Summer Class Programs**" in **July and August** — sessions on rocks, the human body, ancient Egyptian science, and the science of machines. If you can help out an hour or two photographing some of these activities, call Cyane Lowden at the museum (864-1537) for times and details. Digital images preferred. (Use your own digital camera or one provided by the museum.)

▶ Lastly-but-not-leastly, we'd like to extend a cordial welcome to our club's **newest member, Militza Simic**. Militza recently moved to Richmond from Charlotte, N.C., shoots with a Canon AE-1 and her father's Pentax Asahi Spotmatic, and she participated in the club's Shockoe Bottom Night Shoot May 21.

We look forward to seeing you at our Members Showcase program 7:30 Wednesday at the Science Museum. ■
