RVA Photographers Collective

By Perry Matthews

Richmond Photographer Adam Lewis conceived of and founded the RVA Photographers Collective at the beginning of 2021. The collective artistic theme is understanding how different people choose to portray the same subject. The result: A rich, diverse, and artistically powerful array of photographs of contemporary Richmond captured by Richmond-based photographers. The group chooses a specific place every month to shoot and then each person posts 10 shots from their own shoot. It's grassroots and organic.

For more information, visit their website: RichmondPhotoCollective.com or request membership to their private facebook group - [RVA Photographers Collective](#).
