## CAMERA CLUB of RICHMOND

August 2017

### President's Corner

The heat of summer is upon us as are CCR events, photoshoots, classes and evaluation meetings.

This month is assigned subject month of Hidden Letters, or finding the alphabet in natural surroundings. Remember to submit your images to [digital@cameraclubofrichmond](mailto:digital@cameraclubofrichmond) or [prints@cameraclubofrichmond](mailto:prints@cameraclubofrichmond), depending upon your format, before midnight, Saturday, August 5<sup>th</sup>.

We have had some questions concerning the number of evaluations that may be submitted on an assigned subject night. To clarify, the club evaluation rules state:

“Members may enter a maximum of two images on evaluation nights. On Assigned Subject evaluation nights, only 1 image may be submitted in addition to the assigned subject. Images may be submitted as prints or digitals.”

This is spelled out on our website, under Evaluation Rules and Guidelines. This means that a member may submit two, non-assigned subject images if he/she does not submit an image for the assigned subject category. Otherwise, members may submit one assigned subject image and one regular.

If I still have not answered your question, please feel free to contact myself, Jeff Claypoole (digital director), or another board member.

Keep clicking, stay cool, and please hydrate!

## Vice President Corner

### Nicholas Timmons will be our evaluator in August

Mr. Nicholas Timmons will be the evaluator for our August meeting. The assigned subject for this session is alphabet photography (finding letters in ordinary things).

Nicholas co-owns and operates Double Image Studio with Susan Delgado (pictured at left). They see their photographic world from two unique perspectives. Their multi-cultural backgrounds and approach is reflected in their distinct images, and their client base has come to rely on this aspect of their creative vision.

The studio provides fresh and engaging images in both video and still photography for an array of clients which includes such names as:

- Adobe Systems
- Amtrak
- Capital One
- Genworth Financial
- Mercedes-Benz, NA
- Nationwide Insurance
- Rubbermaid
- Target

The collaborative mix of still photography and editorial video work provide a creative process to deliver a single conceptual feel. Effectively, one location is captured in two types of media simultaneously which can then be applied to a variety of uses, putting them slightly ahead of many of their clients.

They feel that home-basing in Richmond, Virginia has been very beneficial for the studio, capitalizing on its central location, quality of life, growing economy, and proximity to their alma mater, the School of Arts at VCU.

## Education and Activities

Summer is DEFINITELY upon us, and we have some fun summer events and educational activities planned to help you advance your photography skills!

Keep an eye out for more emails about other educational opportunities (like online classes) and events that might be photo worthy.

### Upcoming Events:

#### August Mini-Module: Lets Learn About Studio Lighting

**What:**

Cary Oesterwinter will present a seminar on the technical aspects of studio photography. He will bring a studio strobe, radio transceivers to trigger the strobe (both fire only and TTL triggers), umbrellas and reflectors and an incident light meter. Cary has been doing a lot of studio photography. He formed his own model photography MeetUp group with some other photographers in the Fredericksburg area. It's called the "Model-and-Photographer-Exchange" - check it out!

We are excited for him to share this information with us!

**When:**

Wednesday, August 9, 2017; 6:15 PM, Camera Club of Richmond Monthly Meeting

**Where:**

Chamberlayne Heights United Methodist Church  
6100 Chamberlayne Road

#### How about Hot Air Balloons and an Airshow?

**What:**

The Flying Circus Annual Hot Air Balloon and Airshow is a photographer's dream for action, color, and capturing people being people. There are airplane rides, balloon rides, wing walkers and the atmosphere of an old time county fair.

This all said, the Flying Circus Aerodrome is about twenty-miles from Fredericksburg on Route 17. Events are scheduled all day, but the Balloon liftoffs are either in the early morning or late afternoon. The Airshow is at 1:00 PM. BUT, it is all dependent on the weather. Balloonists do not like strong winds or threatening skies. Cancellation of any or all of the events is not uncommon.

**When:**

Saturday, August 19, 2017; 4 PM

**Where:**

5114 Richie Road, Bealeton, VA

**How Much:**

\$15 (for admission to the event)

Website: <http://www.flyingcircusairshow.com/balloon.html>

**Fidos After Five**

*(This is not an official CCR Meetup,  
just something that might afford some great photo ops!)*

**What:**

Lewis Ginter Botanical Gardens partners with the Richmond SPCA on the second and fourth Thursdays in June through mid-September for "Fidos After 5" in which leashed pets are allowed. Suggested \$2 "pet admission" benefits Richmond SPCA.

**When:**

Monthly on the 2<sup>nd</sup> and 4<sup>th</sup> Thursdays  
June 8 – September 14, 2017; 5 – 9 PM

**Where:**

Lewis Ginter Botanical Gardens
