

Changing Your Email Address in MeetUp

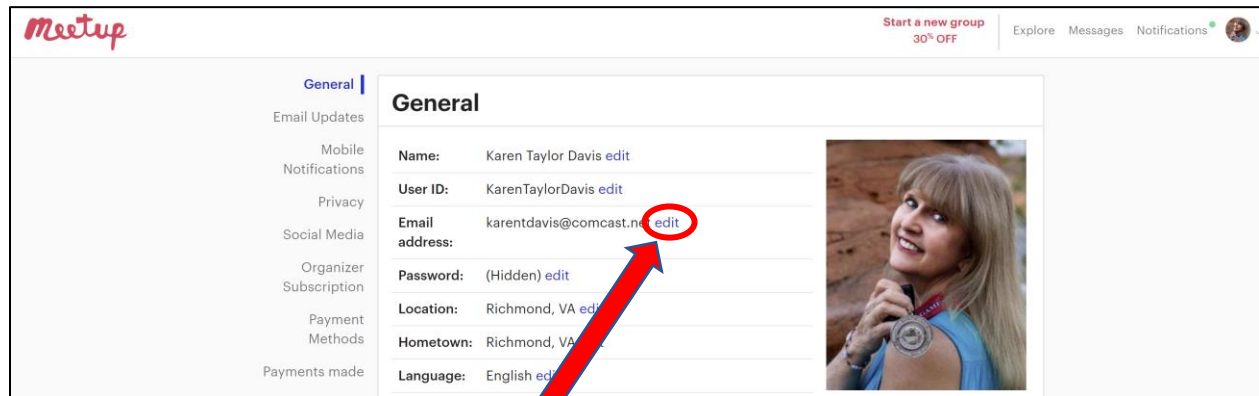

Revised: January 27, 2020

Go to [Meetup.com](https://www.meetup.com) and login to your account.

Click the dropdown arrow next to your profile pictures. You will see the **Main Menu**:

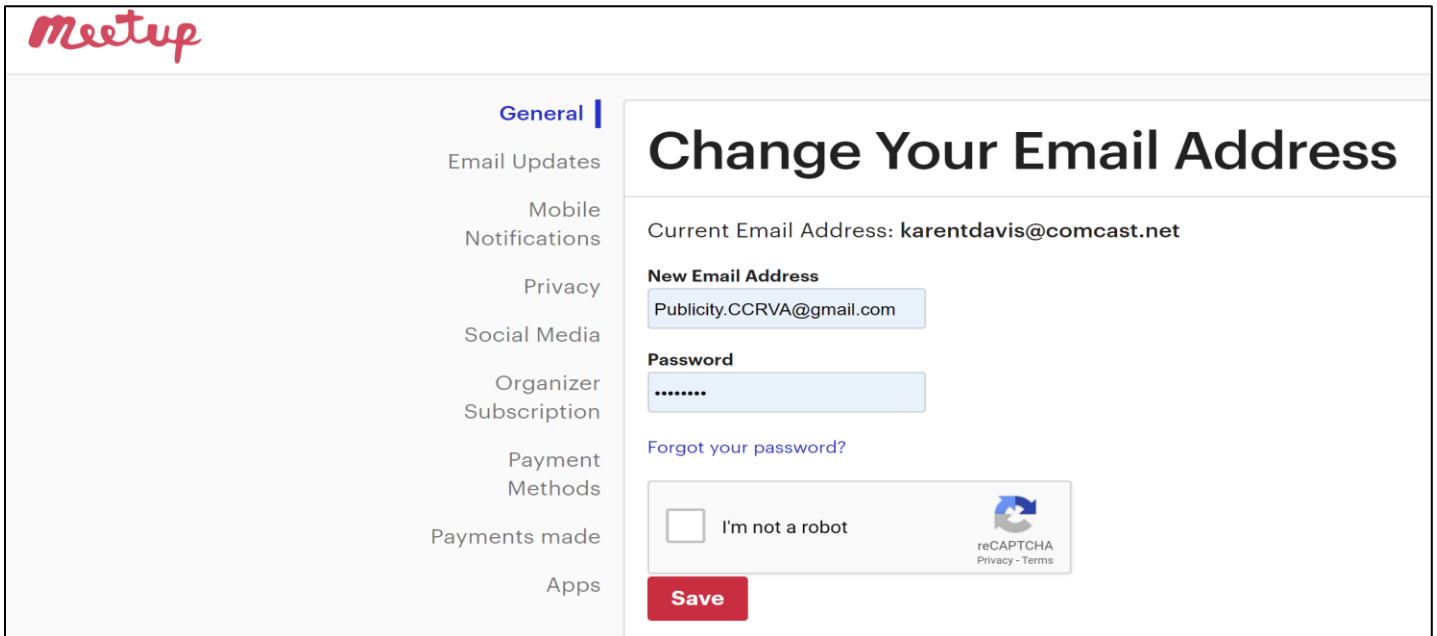

Click on Settings; you will see the **General Settings Page**:

Click the word "edit" next to your email address.

You will see the **Change Your Email Address** page.

Enter your new email address and password; click the "I'm not a robot" box, then click **Save**.
