Newsletter of the CAMERA CLUB of RICHMOND

April, 2020

President's Corner

It's officially Spring here in central Virginia! The birds are chirping and flowers blooming everywhere - a wonderful time to get out and do some shooting (with your camera of course!) You may be thinking, "but, I have to stay inside because of the pandemic". You really don't, unless you are sick. In small groups, or by yourself, there are plenty of opportunities to gather some new images. And your Camera Club of Richmond is adapting to continue to provide you with education, evaluations, and challenges to keep your photography skills growing.

As you were notified by my letter earlier, CCR has had to cancel or postpone some of our up-coming events. However, we are working hard to provide you with similar ones so that your membership continues to be of great value. For April, we will have our scheduled evaluation session (open to all paid members) with some changes.

1. This will be a **Digital-Only Evaluation**: all images will be submitted and evaluated on-line.
2. Since this is our first "Virtual Evaluation", there will be no "Print" designation.
3. Members will be limited to one image per person. This is to allow our Evaluators time to provide a comprehensive and fair review of each image.
4. Images must be submitted by midnight, Saturday, April 4th, to Meetup at : **https://www.meetup.com/Camera-Club-of-Richmond/photos/30836803/.**

Our Education and Activities Directors, Marianne Barnhardt and Joe Ring, are coming up with some fun events for you including a "Coronavirus Challenge" Meetup, Facebook Tips and Tricks, and photoshoots you can experience on your own. Our Vice President, Bob Papas, is looking toward our future shows at local galleries and libraries. Publicity/Publications Director, Karen Davis is keeping our Facebook page busy with your images and event announcements. Board Members: Terry Troxell, Leo Vaynberg, Michael Orr, Carole Hagaman, Ling Whitworth, Frank Mercado, and Doug Turner are all brainstorming creative new ways to keep CCR active and fun while we endure this difficult time in our country.

In short, although we may not get to see each other in person for the next few weeks - or even months - know that your camera club is still going strong and a great organization in which you can participate!

Stay healthy and keep on clicking!

Notes from the Vice President

What a bummer that we had to cancel our April meeting. I hope that by May, things will be settled and we can enjoy Ken Conger and his great photos from Kenya and India.

Even though we are canceling our in-person April meeting, we are still doing our Image Evaluation. The images will be reviewed as Virtual Images using our **CCR Meetup** site. See attachment for directions on how to load your photos into the "**CCR Virtual Evaluation - April 2020**" Photo Album. If you're not already a member, be sure to **join MeetUp**; this is the only way we will see your photo. In addition, MeetUp lists all of our CCR activities - it's a good way to follow, and stay involved, with the events of the club.

Along with the many closings in our area, the following exhibits have been postponed or canceled.

The Ladies-Only Thrive exhibit has been postponed until further notice. Many great photos were selected. The ladies have stepped up their game: well done.

The Daffodil exhibit and photo contest has been canceled also. I know I will miss all the beautiful live daffodils and the many great photos.

The Bon Air Library exhibit for May is on hold at the moment. If the Library is open, we will use the Thrive photos for this exhibit (unless Thrive re-opens in May).

Let's hope our lives get back to normal soon and we can enjoy all the great activities and educational seminars that Joe Ring and Marianne Barnhardt have scheduled.

Everyone please be safe and take care.

Robert Papas
Vice President, Camera Club of Richmond **VP.CCRVA@gmail.com**

In Case You Missed It…

For our March Mini-Module, **Carole Hagaman** took us on a tour of the **Photographic Society of America** website, highlighting the many benefits of PSA membership. Carole wanted to remind everyone that in addition to all the benefits she mentioned, PSA also offers many **Member Discounts** and Travel Aids. Take a look and see if membership is right for you.

After her talk, we surprised Carole with flowers and a cake to celebrate and thank her for her *forty years* of membership and service to CCR. Thanks, Carole for your leadership and dedication to CCR!

Then, we welcomed **John Henley** as our Evaluator. He shared his insights on over 70 of our CCR members' images including our "Loneliness" Assigned Subject images. Thank you, John for being such a great friend to CCR and for your insightful comments on our work.

(And, thanks to Marianne Barnhardt for the photos!)

We are all about increasing knowledge and helping to improve your experiences in photography.

Category Critique #2 – Flora

The Camera Club of Richmond holds an **End of Year Competition** to recognize and reward the work of our many talented photographers.

We invite all dues paying CCR Members to submit up to 12 photographs (prints and/or digital images) into this competition. Images are due in early October and judged by a panel of professional photographers – usually from outside the Richmond area – in November. Because there is such a high volume of images submitted, CCR has designated several Categories in which our photographers will compete for awards. To help you with that selection, we are beginning a series of articles covering each of our **End of Year Categories**.

This month, we'll cover **Flora**. Here is the definition of the Flora Category:

Flora photography is a photograph of plant life occurring in a particular region or timeframe.

First, let's go over the General Guidelines for submitting ANY image for evaluation:

- All submissions, camera work (including staging and post-production), and "creative changes" must be the work of the photographer.
- Images may NOT include the photographer's name on the face of the image.
- Photographers submitting images for Evaluation must be Camera Club of Richmond Members in good standing, having paid the current year Membership Dues ($40).

Members may submit one or two images at each **regular** Image Evaluation. (Please note: The April 2020 Image Evaluation will be a bit different, since we had to cancel our in-person meeting. We will be holding a **VIRTUAL** Image Evaluation. More on that later…)

To give you some examples, here are last year's winning photos in the Flora Category:

There are Restaurants on the island but as the stay on the island is about 2 hours you might want to spend that time shooting… we will be out at least 6 hours.

This is the 156th Anniversary Battle of New Market Reenactment held on the original battlefield property, one of the oldest continual reenactments in the nation. Experience Civil War soldier life as you visit on-going demonstrations and living history presentations before and after the battle each day..

Walk in history's footsteps as you explore the sights and sounds of the Civil War with Artillery, Cavalry, Musket firing, Camp life, Medical Corps, and much more. Food will be available from a variety of vendors on Sutler Row. Come experience the excitement for a day; memories for a lifetime.

The last time I went (2015) there were direction signs to a parking area as you approach the property and shuttle buses to the event site... it's a pretty large.. I suggest bringing a long lens for the battle as well as a wide for the encampments.

We're Looking for a Few Good… AD's

We now offer two types of full-color ads with direct Web links from the CCR monthly newsletter:

- For only $5 per month, advertisers can have a **LogoLink.**
  Their logo will appear, linked to their Website, they will receive a special Facebook "Shout Out", and an electronic copy of ***Southern Exposure.***
- For just $10 per month, advertisers can purchase an **AdLink.**
  Their business-card-sized ad will appear, linked to their Website, they will be featured on a facebook cover, and receive an electronic copy of ***Southern Exposure.***

There is a 3-month minimum as well as additional savings for signing a full-year agreement. We will also consider "barter" and "complimentary" links for Evaluators, Presenters, and Instructors.

How can YOU help? Just put any businesses you may know in touch with one of our **CCR Board Members** and we'll follow up. *(*JICYWW – There just might be a "Referral Reward" in it for you!)*

*Just in Case You Were Wondering!

What's the Buzz?

Lots of our CCR Photographers are showing their work "around the town" in galleries, art shows, festivals, restaurants and retail establishments. Unfortunately, many of these facilities are practicing "social distancing" and are not currently open. If the name is BLUE, be sure to click it to visit the website to clarify before you visit the actual place.

In any case, we should still CONGRATULATE them all on their accomplishments!

Then keep an eye out for some of them to be featured on our Facebook page later this year!

VPPA – The REST of the Story!

The 2020 VPPA Convention and Image Competition had just ended as we went to press with our March newsletter, so we published the information at hand. Thanks to Ling Whitworth, and our contacts at VPPA (Deborah O. Fisk, VPPA Second VP and Executive Secretary and Andee Fisk Moore, VPPA Capital District Governor), we can now tell you:

The REST of the (VPPA) Story…

Several CCR members took advantage of the VPPA invitation to attend some sessions as guests:

Karen Davis, Diane Muska, Patricia Munford, and **Marianne Barnhardt**

We also had five CCR members join VPPA this year:

Bruce Murff, Jonathan Kerns, Ted Jurkuta, Doug Hendricks, and **Ann Fulcher**
~~~~~~

There are other CCR members who are also VPPA members:

Bill and Ling Whitworth (joined in 2019), **Linda Schmiel** (2016) and **Anthony Rumley**

VPPA allows non-members to enter images for judging (but are not eligible for awards). Three of our members gave this a try:

Jay Denny entered 3 images, and each one scored Above Average

Phillip Snider entered 6 images, and each one scored Above Average

Carolyn Pitts entered 4 images; 3 scored Above Average and 1 scored Average

In the official **VPPA 2020 Image Competition**, several CCR members distinguished themselves:

Linda Schmiel merited 1 image (Blue Ribbon).

Bill Whitworth merited 2 images (Blue Ribbons). In addition, his image "Professional Cyclist" was awarded "Best Image by an Aspiring Member".

Ling Whitworth's top 6 eligible entries were Above Average, earning her Red Ribbons.

Ted Jurkuta's top 6 eligible entries were Above Average earning him Red Ribbons.

Doug Hendricks' top 6 eligible entries were Above Average earning him Red Ribbons.

Ann Fulcher's top 6 eligible entries were 5 Deserving of a Merit (Blue Ribbon) and 1 Above Average (Red Ribbon). Ann also won the "Nancy Justice Award" (for first-time entrant), "Best Portrait of Pet/Animal", and was named one of the "Top Ten VPPA Photographers" for 2020.

And in other VPPA news…

Linda Fern Schmiel (a member of both the VPPA and the Professional Photographers of America) took and passed the written test which is the first part of becoming a CERTIFIED PROFESSIONAL PHOTOGRAPHER. She will now study for and take the practical test. Good luck, Linda!

Thanks to all who represented CCR with our fellow VPPA photographers and a big CONGRATULATIONS on the many awesome achievements this year!

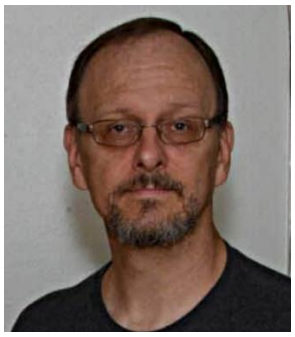
Spotlight on: Digital Director, Michael Orr



We would like to introduce you to Michael Orr, CCR's Digital Director.

Michael is one of CCR's newer members. He joined in 2017 and jumped right in to take on the daunting task of Digital Director in 2019, and again in 2020.

Be sure to introduce yourself if you haven't met him – he'll be the one sitting behind the computer at CCR meetings!

Tell us a little something about yourself.	*I've always been interested in learning about "everything." I'm a tech and science "nerd" who also happens to like art & history.*
What do/did you do for a living?	*I am a computer systems engineer.*
How did you get into photography?	*Ironically enough, to get away from computers! I wanted to do something that was technical, but not directly computer related. Yet here I am...*
What are your favorite things to shoot?	*I don't have any one thing I like to shoot. I like to experiment with all different kinds of photography. I like it all.*
Why did you join CCR?	*I felt I needed direction, and opportunities to "get out there and shoot." I was running out of my own ideas, and I thought that joining a group would help me.*
What do you enjoy most about CCR?	*The evaluations have been tough at times, but I've come to find that they are extremely helpful. I feel I've grown as a photographer since joining, often because of those tough evals, especially when I look at some of my earlier photography. I also enjoy the people.*
Tell us how you view your role as our Digital Director.	*To facilitate and help the club with their submissions. I'm doing my job when everyone's images show up & there are no "hiccups."*
What are your goals for this position in 2020?	*To keep my head above water?*
What is the most challenging thing about this position?	*Year-end contest!*
Do you have a favorite quote to leave us with?	*"Everything should be made as simple as possible, but not simpler." ~ Albert Einstein*

You can reach Michael at his CCR email address: **Digital.CCRVA@gmail.com**.
