Newsletter of the CAMERA CLUB of RICHMOND

May, 2020

President's Corner

Happy Spring!

I know many of you are feeling "cooped up" given the stay-at-home orders, but all of us at Camera Club of Richmond are working hard to give you many opportunities to grow and learn as a photographer.

We are presenting events and challenges on **Meetup** and **Facebook**:

- On Meetup, our Activities Director Joe Ring continues to schedule events and online events- hopefully, we will get to them in person in the next few weeks. Our Education Director, Marianne Barnhardt, is also planning some online learning opportunities for everyone.
- If you are on Facebook, you will find that Marianne and Karen have put together some weekly Tips and Tricks, links to learning websites, and some of our past winners' award-winning images.

For May, we will still not meet in person at the church. We had Ken Conger scheduled to give his fantastic video presentation, but he will re-schedule given the current situation. Instead, we will have another Virtual Evaluation Session - please read all this newsletter for details.

June should give us an opportunity to present you with a major learning month of instructors with a combination of mini-module sessions that were planned before the shut-down.

As of today, the governor of Virginia has suggested that we may begin to open some businesses in the next few weeks. I doubt that means social groups such as ours. Please continue to participate in our online events - your pictures have been great! I cannot say enough praise about the diligence and work of your board members who continue to keep this club active and vibrant. For my own part, I am torn as a "essential worker", so I am not able to participate as much as I would like given the slow down in the economy. But, in my free time, I am trying to learn some new skills as I admire all your images. Many of you are doing fantastic, creative work that really raises the bar for the End of Year Competition! Keep it up, and maybe send me some tricks and tips on how you did it!

Again, please read this whole newsletter as there is much info!

Notes from the Vice President

Well, it's May – and here we are still captive to Covid-19!

To comply with the Governor's recommendations, we tried something new in April. We did a MeetUp Photo Evaluation, limiting entries to one per person. We asked some of our own selected members to do written evaluations via the MeetUp Photo Album. Then we heard from our friend, Anthony Rumley, who volunteered to do an actual evaluation via a Zoom Meeting, so we were able to offer both! Many thanks to Anthony, our five in-house Evaluators and the 53 members who tuned in last month to our FIRST EVER VIRTUAL CCR MEETING! It went well, and I hope everyone was happy with the process.

We will continue to use the Zoom website for these online meetings until we can safely resume our in-person meetings at Chamberlayne Heights Church.

We are sorry to say that Ken Conger will not be able to join us for a "virtual" May meeting. He has asked if we can reschedule his presentation for later in the year; which we will try to accommodate. Stay tuned for a possible new date.

So, in May we will be doing another Image Evaluation: this time we will be using the normal photo entry process – via email to our Digital Director (Digital.CRVA@gmail.com). In case you need a reminder, the procedure is attached and can also be found on the CCR Website (https://www.cameraclubofrichmond.com/image-evaluations).

If you entered one photo last month you may enter **ONE** photo for the May Evaluation. if you did ***NOT*** enter an image in April, you may enter **TWO** photos in May. There is no Assigned Subject for the May Evaluation.

The May Evaluation will be done by a select group of seasoned photographers, with one difference: the evaluations will be done LIVE during the meeting.

Since we haven't been able to evaluate your **printed** photos, in these virtual Evaluations, we will allow any photo entered to be submitted as prints in the End of Year Competition.

Since there is no known date as to when things will start to be somewhat normal again, there will be changes to our monthly schedules. Look for the updates as they get posted.

Stay safe. Hope to see everyone at the next Zoom meeting.

Robert Papas
Vice President, Camera Club of Richmond **VP.CCRVA@gmail.com**

In Case You Missed It…

We hope you were able to attend CCR's
FIRST EVER Virtual Monthly Meeting!

We had 53 attendees present on our live "ZOOM" meeting – and no unwelcome "ZOOM-Bombers" managed to sneak in!

Thanks to **Anthony Rumley** (our Surprise Mystery Guest Evaluator!) who reviewed our 36 photos and provided lots of great insights, suggestions – and a bit of lighthearted humor!

We are also indebted to our very own "In-House Evaluators" who did an outstanding job of "Virtual Evaluations" prior to the meeting.

Special thanks to:
Carole Hagaman, **Phillip Snider**, **Frank Mercado**, **Jeff Claypoole** and **Doug Turner**
for sharing their insights in the "Comments" section of each image.

If you haven't had a chance, be sure to take a tour of those wonderful images on our MeetUp Group and read all of the insightful comments:

(Thanks again to Marianne Barnhardt for the photo!)

Category Critique #3 – Wildlife

The Camera Club of Richmond holds an **End of Year Competition** to recognize and reward the work of our many talented photographers.

We invite all dues paying CCR Members to submit up to 12 photographs (prints and/or digital images) into this competition. Images are due in early October and judged by a panel of professional photographers – usually from outside the Richmond area – in November. Because there is such a high volume of images submitted, CCR has designated several Categories in which our photographers will compete for awards. To help you with that selection, we are beginning a series of articles covering each of our **End of Year Categories**.

This month, we will cover **Wildlife**. Here is the definition of the Wildlife Category:

> *Wildlife photography traditionally refers to images of undomesticated animal species that normally live in the wild. Wildlife Photography documents various forms of wildlife in a natural or simulated habitat. An example of simulated habitat would be an image of a captive animal in a zoo that does not show cages, buildings, or other man-made construction not present in its natural surroundings. The incidental presence of animals (e.g. distant birds, cattle, etc.) or manmade objects (e.g. distant fences, vehicles, etc.) is acceptable.*

First, let's go over the General Guidelines for submitting ANY image for Evaluation:

- All submissions, camera work (including staging and post-production), and "creative changes" must be the work of the photographer.
- Images may NOT include the photographer's name on the face of the image.
- Photographers submitting images for Evaluation must be Camera Club of Richmond Members in good standing, having paid the current year Membership Dues ($40).

Members may submit one or two images at each Image Evaluation.

To give you some examples, here are last year's winning photos in the Wildlife Category:

What's the Buzz?

Lots of our CCR Photographers are showing their work "around the town" in galleries, art shows, festivals, restaurants and retail establishments. Unfortunately, many of these facilities are practicing "social distancing" and are not currently open. If the gallery/location is shown in **BLUE**, be sure to click the link and visit the website to clarify before you visit the actual place.

In any case, we should still CONGRATULATE them all on their accomplishments! Then keep an eye out for some of them to be featured on our Facebook page later this year!

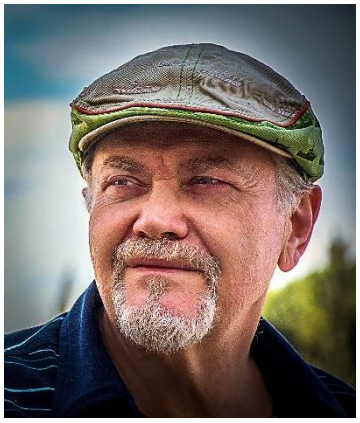
Spotlight on… Print Director, Leo Vaynberg



Leo Vaynberg

Leo's Favorite Photo He Ever Made

Tell us a little something about yourself.	*Born in the Soviet Union but came from Russia 26 years ago and have lived in Richmond ever since. Somewhat educated and mostly well-mannered. Married, therefore a philosopher. Ask me about the rest in person.*
Now, tell us a little something about your Favorite Photo!	*9/11, New York, Brooklyn bridge. Tribute lights create fantastic night sky spectacle. No tripod, so I have to brace the camera to some post. Made a few shots, did not like them as dark suspension cables were crosscutting the image. Added speedlight, maximum intensity. All of a sudden, cables turned into sharp beams, spreading sky light back to earth…*
What do/did you do for a living?	*I play programmer. I do enjoy it sometimes.*
How did you get into photography?	*When I was 12 my father gave me Leica (Russian knockoff, but really good one, still works) and plenty of films. From that point it all was not too difficult.*
What are your favorite things to shoot?	*Soul.*
What are some of your personal photography goals?	*Soul. In-depth.*
Why did you join CCR?	*CCR was the first group of people with cameras I could find.*
What do you enjoy most about CCR?	*People who are willing to express themselves through photography.*
Tell us how you view your role as our Print Director.	*Do no harm to members' prints! But ask for more of them.*
What is the most challenging thing about this position?	*Having too few evaluation prints to display.*
Do you have a favorite quote to leave us with?	*Keep learning till you die.* - *Leo Vaynberg*

2020 Virginia Vistas Photo Contest

Thanks to Gina Venn, here's a great way to work on your photography skills, enter a photo contest and still adhere to "Social Distancing Rules".

It's the 2020 Virginia Vistas Photo Contest, sponsored by ScenicVirginia.org.

Here is the letter from Scenic Virginia's Executive Director outlining the details:

Dear Virginia Vistas Photo Contest photographer –

First things first: We hope that you, your family, and friends are in good health and spirits as we all grapple with the ongoing COVID-19 situation. Our photographer friends mean the world to us, and we are keeping all of you in our thoughts.

I'm writing today to share several updates about Scenic Virginia's 2020 Photo Contest, as follows:

*1) **Yes, there IS a 2020 Photo Contest!***

We made the decision to delay the kickoff for one month -- until May 1 -- but there is a Contest this year, and we can't wait to roll it out.

2) As you might know, 2020 marks the 50th Anniversary of the Virginia State Scenic Rivers Program. In recognition of this incredible milestone of one of our favorite programs, Scenic Virginia is dedicating the Rivers & Waterways Category of the 2020 Photo Contest to photos taken along designated Virginia Scenic Rivers.

During the recent 2020 General Assembly Session, Scenic Virginia worked to add six new Scenic Rivers to the Commonwealth's list. Although those River sections won't become official until July 1, we are including them in our Contest, and we encourage you to enter photos taken along them.

*Click **HERE** to see the current list of Virginia State Scenic Rivers.*

By the way, this means that if you have beautiful photos that were NOT taken along the designated Rivers on our list, we ask that you hold them until next year's Contest.

3) Our webmaster is updating our Photo Contest webpages for 2020. We will let you know as soon as the pages are online so that you can take a look and submit your photos.

*4) Our Rules & Regulations and Legal Conditions are available right now. Click **HERE** to see our 2020 Rules & Regulations and **HERE** for the Legal Conditions.*

Scenic Virginia thanks you for your interest in our annual Photo Contest. We can't wait to see your beautiful images of our Commonwealth's incredible scenic beauty.

If you have questions about the 2020 Contest, please don't hesitate to let us know. My email address is leighton.powell@scenicvirginia.org, and I'd be happy to help.

All the best,
Leighton Powell, Executive Director

We will communicate the links to the Photo Contest Webpages as soon as they are available.

Have fun!
