## CAMERA CLUB of RICHMOND

December 2017

### President's Corner

Happy Holidays from all of us at CCR!

This month brings to us our favorite meeting of the year: the End-of-Year Awards Banquet and dinner. This will be a fun evening of music, fine dining, libations, and awards on December 13<sup>th</sup>, 2017 at the Tin Pan Restaurant, with doors opening at 5:30pm, dinner at 6:30, awards to follow. If you have not made your reservations, please do so immediately to Doug Turner, [treasurer@cameraclubofrichmond.com](mailto:treasurer@cameraclubofrichmond.com).

I want to take some time to give a heart-felt "thank you" to those who were a part of the 2017 Board of Directors: Don Hanna, Margaret Moriarty, Doug Turner, Tom Hobbs, Ruth Devlin, Leo Vaynberg, Jeff Claypoole, Terry Troxell, Bruce Murff, Karen Davis, Carol Hagaman, and Harold Lanna have all worked together make this year one of our best ever! It was a team effort that brought all of those meetings, photoshoots, mini-sessions, picnic, and EOY banquet to you.

For 2018, we are happy to have Ed Tepper and Frank Mercado joining the board. At this time, we still need someone to serve as Vice President, another as Librarian, plus we would like to have some volunteers to help with our publicity so please think about helping your club become the best it can be!

After the holiday break, we will start off the New Year with many events, starting with our general meeting on January 10<sup>th</sup>. Look for new MeetUp events and opportunities to grow your photography skills in the coming weeks.

Merry Christmas and Happy New Year!

Wednesday, January 17, 2018    4:00 PM to 5:15 PM (Spots available on "Wait List" only.)  
Second Session Just Added!    5:30 PM to 6:45 PM

Custom Framing Made Simple Workshop; 13620 Winterberry Road, Midlothian, VA

Back by popular demand! Everything you always wanted to know about Conservation Framing...  
\*BUT WERE AFRAID TO ASK.

Please join us for a workshop presented by Richard Koechlein, Owner of Custom Framing Made Simple to learn about "Conservation Framing" and participate in a live matting/framing demonstration. CFMS is known as "The complete picture framing service that comes to you", but we are fortunate to be invited to visit their studio for a behind-the-scenes look at the entire framing process. Richard will

share his 30+ years of experience in matting, framing and preserving images for artists and photographers throughout central Virginia. He will also demonstrate how he works his magic to add the perfect "finishing touches" to our precious photographs.

If you have something you want matted, mounted, shrink-wrapped or framed, I encourage you to let me know so I can introduce you to Richard and he can prepare a quote for you. He could use YOUR photo in a live demonstration of how he creates beautiful presentations of our masterpieces. He'll even give us some tips on how to display and hang them!

For more info, visit Richard's Website: (<http://www.customframingmadesimple.com/>) to see samples of his work and to get an estimate of anything you would like framed.

Unfortunately, these MeetUps are limited to the first 10 people to register.
