CAMERA CLUB of RICHMOND

January 2018

President's Corner

Happy New Year from Camera Club of Richmond! A new year brings some changes as we welcome Ed Tepper as Digital Director, Frank Mercado as Secretary, and Bob Papas as Vice President to the board. We still need a librarian to maintain our library of photo books and the check in/out sheets.

At the beginning of 2017, the club found itself with a deficit and had to use money from our savings to balance the budget. Your board has worked hard to reduce expenses while maintaining our club meetings, education opportunities, photoshoots, and the end of year awards and banquet. We did incur some new expenses as we obtained liability insurance to protect the club and the board from litigation, an unfortunate reflection on our society. Despite all our efforts, we find it necessary to raise membership dues to $40 per year, the first such increase in over ten years. We still believe this is a bargain for the all the benefits and most clubs charge much more per year.

As we get the year off to a good start, I would like to ask each member to please fill out a release form when you arrive at the next meeting when you check in at the membership desk. This is to ensure that your wonderful photos can be posted on our website, if you so choose. Also, please check that your email information is correct on the roster as we have noticed many of you are not listed properly and are missing our emails.

To clarify the assigned subject evaluation rules, the board has voted a change in the rule wording.

The new wording:
Members may enter a maximum of two images on evaluation nights. On Assigned Subject nights, only 1 image may be submitted in addition to the one assigned subject. If a member does not have an entry for the assigned subject, he/she may submit only 1 image for the general evaluation category.

Previously, the rules stated:
Members may enter a maximum of two images on evaluation nights. On Assigned Subject evaluation nights, only 1 image may be submitted in addition to the assigned subject. Images may be submitted as prints or digitals.

This change was made to encourage members to rise to the challenge and submit images for the assigned subjects. If you really want to challenge yourself, I suggest you visit the PSA website for the daily (yes, 365 different subjects!) assigned categories.

Speaking of the assigned subjects, the board has voted on the categories for 2018, with our first assigned subject evaluation scheduled for the March 14th meeting. They are: Black and White, Things That No Longer Work, and In the Moment for March, June, and September or October. Stay tuned as our schedule develops.

Vice President's Corner

NPS's Mike Gorman presents at our January meeting

National Park Service Ranger Mike Gorman to do a presentation on January 10th. He is an expert on the Civil War, particularly in the Richmond area. Mike uses a lot of historical pictures in his presentations.

Mike Gorman grew up in Richmond, Virginia and attended Virginia Commonwealth University and the Virginia Military Institute. Mr. Gorman began working for the National Park Service as a seasonal ranger in 1999. Since 2003, he has been a permanent interpretive ranger and historian for the Richmond National Battlefield Park. In 2017 he was awarded with the NPS Freeman Tilden Award, the highest honor for an interpreter. He is also recognized as an expert on Civil War Photography.

In his private time, he created, and continues to operate, a website called Civil War Richmond (www.mdgorman.com), which is an online research project that documents the various sites and personalities within Richmond during the war. It is his labor of love and consists of primary accounts, photographs, and maps related to Richmond's Civil War history. In January 2014, this website celebrated its15 year anniversary on the web.

He has authored numerous articles about the war, and continues to research a book on Richmond's

Civil War photography. In 2011, he served as an historical advisor on the set of Steven Spielberg's "Lincoln," and more recently on the film "Free State of Jones."

Education and Activities

We're B-A-A-A-C-K!!!

Your fearless Activities and Education Directors are in for another year of fun photo adventures in 2018.

Just a reminder…
We use MeetUp.com to schedule and communicate our events to both CCR members and other members of the "MeetUp World". So, you will see both familiar and NEW faces at some of our MeetUps! This is a GREAT way to invite people to CCR, so please make them feel welcome!

Also remember: if your plans change, please change your MeetUp RSVP! Especially if you have reserved a spot in a MeetUp where we have to limit attendance.

Back by popular demand: Mini Modules! We will be holding short (25-30 minute) educational sessions before each of our regular, Wednesday Camera Club Meetings. Check your newsletter and the CCR MeetUp Group for all the details!

If you have suggestions for things you'd like to see, do, learn – or TEACH! – please let us know. (Especially the TEACH part – you don't have to be an expert; just willing and able to share your knowledge of some aspect of photography about which you are passionate or knowledgeable. So, if we call, please say **YES**!)

Without further ado - let's get started…

Mini Module: Let's Meet Up and Learn about "MeetUp"

Who:

Karen Davis, CCR Education Director will be our presenter.

What:

Don't Miss Out! The Camera Club of Richmond uses MeetUp.com to schedule and communicate all of our events.

If you need help signing up or signing in - or if you just have some questions - join Karen for some help.

When:

Wednesday, January 10, 2018 at 6:15 PM (Just come a little early to the CCR meeting!)

Where:

Chamberlayne Heights United Methodist Church
6100 Chamberlayne Road, Richmond, VA

Conservation Framing Workshop & Demonstration – Reprise

Who:
Richard Koechlein, Owner of Creative Framing Made Simple will be our presenter.

What:

Back by popular demand! Everything you always wanted to know about Conservation Framing... *BUT WERE AFRAID TO ASK.

Please join Richard for a workshop to learn about "Conservation Framing" and participate in a live matting/framing demonstration. CFMS is known as "The complete picture framing service that comes to you", but we are fortunate to be invited to visit their studio for a behind-the-scenes look at the entire framing process. Richard will share his 30+ years of experience in matting, framing and preserving images for artists and photographers throughout central Virginia. He will also demonstrate how he works his magic to add the perfect "finishing touches" to our precious photographs.

If you have something you want matted, mounted, shrink-wrapped or framed, I encourage you to let me know so I can introduce you to Richard and he can prepare a quote for you. He could use YOUR photo in a live demonstration of how he creates beautiful presentations of our masterpieces. He'll even give us some tips on how to display and hang them!

For more info, visit Richard's Website: (http://www.customframingmadesimple.com/) to see samples of his work and to get an estimate of anything you would like framed.

Unfortunately, these MeetUps are limited to the first 10 people to register.

When:
Wednesday, January 17, 2018 4:00 PM to 5:15 PM (Spots available on "Wait List" only.)
Second Session Just Added! 5:30 PM to 6:45 PM

Custom Framing Made Simple Workshop; 13620 Winterberry Road, Midlothian, VA

***

We are looking forward to another FUN year of photography and friendship!
