

CCR Zoom: To Zoom or Not to Zoom?

...that has certainly been the current version of Shakespeare's question!

Is Zoom a perfect replacement for meeting in person?

No.

Does it mean that Zoom doesn't have a place in our lives?

No

"No. Unless you're discussing state or corporate secrets, or disclosing personal health information to a patient, Zoom should be fine."

Just so you know, we have taken several measures to make sure that our CCR members and guests have the best Zoom experience possible – with no Zoom-Bombings to date!

1. CCR has a paid Zoom subscription, which contains higher levels of security and encryption.
2. Each meeting link has an embedded password.
3. Our meetings are small, so our facilitators can closely monitor attendees.
4. Some presentations are restricted to CCR members only.
5. We've written [Zoom Procedures](#) to help you load Zoom and get ready to meet online!

So, are you ready to take the Zoom Plunge?

We hope so! Sign Up and Zoom In to our next CCR meeting!

Paste this [Zoom Link](#) into your calendar for the 2nd Tuesday of each month at 7 PM (or pop in at 6:30, if you'd like to socialize and network!)

Zoom Hints

- Once the presentation starts, your Host will mute everyone's microphones to minimize background noise. **Please do not un-mute** unless you want to ask a question during the Q&A part.
- You may turn your **Video** on or off by clicking the icon in the lower left corner.
Note: Zoom Meetings may be recorded. If you do not wish your image to appear, simply leave your Video camera turned **OFF**.
- You may choose from three different **Views**. Move your mouse to the upper right corner to select:
 - **Speaker View** - best for seeing the individual presenters.
 - **Full Screen** - for times when a slide with photos or information is being shown.
 - **Grid View** - during the social time or Q&A part so you can see all the smiling faces!
- Chat: Please use this feature to type your questions or comments for the facilitators/presenters.

Hope to see you Zooming soon!
